

St. Thomas Lenasia

Assumption of Our Lady

15th August 2010

Mary, you went up to Heaven to be crowned. God could not have done less than that. For, had you not said 'Yes', what would have happened? Humanity would have continued to wait... But it had been waiting for the Messiah for so long already, years... hundred of years... So you went up to Heaven, and that makes us really happy. But what's happening in Heaven? It remains for us an unfathomable mystery. All that we know is that Heaven starts here on earth, when Love reigns! Indeed there is nothing better than Love! To love and to know oneself to be loved is for sure the most precious feeling of all here on earth. All lovers will agree with that. Mary, you who have so much power over your Son's heart, teach us how to love... starting with ourselves...
